## Message from the President

Hi Probians,

Spring has sprung and the birds are on the wing. Or was it the wings are on the birds?

Visited the city of my youth, Newcastle, N.S.W., recently. No longer does the city get blanketed with orange dust nightly. Nor does the midnight sky turn into daylight as it did when they tapped the Open Hearth Furnace each evening. The morning streets are no longer crowded with hundreds of bicycles as the workers ride to work to fill the day shift at the "Steelies" and the atmosphere seems clearer.

Thankfully, the sun still rises out of the sea behind the Nobbys Lighthouse each morning. The six local surf beaches still beckon to the body surfer offering rides as good as any available elsewhere on the east coast. Above it all, the Newcastle Cathedral retains a clear view over the port and its flock living in the CBD. Although how long that will continue is unclear, as high rises are starting to appear.

I was accompanied by my 18 year old grandson Kagi and, oh boy, did he ask many questions, but it was a wonderful experience and I highly recommend it.

Certainly made me appreciate more where I live now. When was the last time you revisited the area where you spent your youth?

Enjoy our Springtime!

Terry Moroney

*President*

## **“Ramses the Great and the Gold of the Pharaohs”**

This exhibition is coming to the Australian Museum, Sydney in November.

Some of you may be interested in making the trip Sydney to see this very rare exhibition which has been curated by one of Egypt's top archaeologists and many of the exhibits have not been allowed out of Egypt in the past.

I would like to get an idea who would like to visit this exhibition. If we can get a group together we may be able to get a private tour. If not, we will just go in as individuals. At the moment the Museum has not settled on pricing as it is four months away.

Date to be confirmed.

I am just getting expressions of interest at this time. Please email me if you are interested.

Thank you, David.

### **Drinks by the River.**

July Drinks by the River fell on Kevin's birthday so a small impromptu party was held, complete with a cake.

Thanks Tony.

### Par 3 Golf Day

Perfect weather for some good golf when the Probus members took to the Noosa Hills Par 3 Golf Course on the 14th August. Not as many starters this time around as several members needed to withdraw due to various reasons. However, the six players who did manage to be there were able to form two teams of three and the competition was Ambrose over 9 holes. For you uninitiated members, that is a team event where all players hit off and select the best golf shot from each team. All team members then play from that spot and so on until the ball is eventually in the hole. At the end of the day, the team with the lowest score wins and prizes were handed out while we had refreshments in the club house. The club house has been refurbished to what it was a few years back and some good comments were made. In a couple of months, the new Putt-Putt course will be open which is expected to draw more patrons.

Prizes went to the following players:

Winning team: Mike & Lyne Boyle & Fran Armitage.

Nearest the pin: Joy Pollard with a magnificent shot that actually reached the green

Best beginner: John Chantler and what a trier he was.

Will do this all over again next year with hopefully a bigger field.

Convenor Mike Boyle
