Message from the President

My apologies for not being able to attend our April Meeting. Vice President Terry Moroney and Past President Alan Armitage will conduct the meeting.

I have a reminder to all fellow Probians that the continued success of our club depends on active participation of our members.

On 21 April we are holding a Probus Innovation Workshop at the RSL. This is for all members, so please come along and have your say on what you would like to see our club do. If you have some expertise that you would like to share, this is your chance to do so.

Starting time is 9:30am through to 11:30am. Then those who wish can stay for lunch (see details page 5 of the Bulletin).

It is with regret we acknowledge Jan and Colin O'Neil's resignation, due to relocating to Cooroy and finding it difficult to attend Probus meetings and functions. Pat and Brian MacRitchie have also resigned due to ongoing health issues.

Our sincere thanks go to Jan and Pat for proof reading the Bulletin over the past years.

Michael Cundy is also not renewing his NA membership.

Easter is fast approaching so I wish you all a happy and safe Easter.

Marilyn Van Wegen (President)

A MESSAGE FROM THE SOCIAL COORDINATOR

Hi All

At last we are getting back to normality after 2 years of Covid-9 disruptions.

Thank you to those members who have offered to arrange activities as listed in this bulletin

We always need more activities for future months so I encourage members to discuss their ideas for future activities.

Thank you

Neville Motley (Social Coordinator)

A MESSAGE FROM THE EDITORS

We hope you enjoyed the new Bulletin format which you would probably have saved on ink and paper. Don't forget that the Bulletin needs to be printed in LANDSCAPE FORMAT.

This current edition of the Bulletin is our last (again) as we will be handing over to the new editors in April.

We have produced the Bulletin for the last three years and it has been an interesting and enjoyable road to travel.

We would like to thank everyone for their input and advice over our three year tenure.

Best regards

Susanne and John
