Message from the President

Hello Fellow Probians,

It is September already. August has been an eventful month with many of you enjoying the various events organised.

Our drive in the country along roads less travelled finished at Kandanga for lunch and was a great day even though some people chose a different route!

There were 38 attendees. Tipplers had a good attendance this month too.

Thanks to all the members who have acted as convenors. Remember you as Members are the making of our Probus Club. We need people to be prepared to step up and help and be involved in organising various events. Some extra activities are being organised for the future, such as a Golf group and maybe Bowls and Croquet if you are interested.

Drinks by the river will be on Saturday 27th August from 4pm. We have changed to Saturday hopefully attracting more of you for some fellowship.

At the September meeting you will notice that the Suggestion box has been reinstated. It will be near the membership table so feel free to add any suggestions you may have.

At the time of writing I have never been to Cooloola Berries and am really looking forward to that outing.

Regards to you all. Stay safe.

Marilyn van Wegen (President)

GUEST SPEAKER—DR. KEN WISHAW

Our Speaker for September will be Dr. Ken Wishaw, a Senior Lecturer at the Sunshine Coast University whose presentation entitled "Saving the Dark" will discuss Light and Light Pollution and how it affects us and our Australian Wildlife.
